chilee83@gmail.com - www.linkedin.com/in/chlee8 - <https://github.com/chlee83>

Results-driven Full Stack Web Developer with a background in education and experience as an entrepreneur seeking to provide excellent products. An innate problem-solver and goal-oriented thinker looking to share and brainstorm ideas to create innovative websites. Works well in a team and also independently.

TECHNICAL SKILLS

HTML, CSS, JavaScript, jQuery, Node, Microsoft Word, Excel, PowerPoint

PROJECTS

- Event-uality (<https://chlee83.github.io/Project-1/>)
 - An event planning/calendar app. This app allows users to input their personal and local events into the calendar
 - My role was to build the general layout, navbar, input events row, and authentication using firebase so users can sign in to make the app more personal.
 - *Tech used: HTML, CSS, Javascript, jQuery, Firebase, Materialize*
- Last Min Gig (<https://lastmingig.herokuapp.com/>)
 - An app that allows talented people to post their skills so others can find them to employ for personal or corporate events.
 - My role was to build the front end UI and the form for users to post their skills and help with debugging for the overall project.
 - *Tech used: HTML, CSS, Javascript, jQuery, mySQL, Sequelize, Bootstrap, Animate.CSS, Handlebars, Express*

EDUCATION

Penn LPS Coding Bootcamp, Philadelphia, PA

January 2019 – July 2019

Rutgers University, New Brunswick, NJ
Bachelor of Arts, Physics

May 2007

WORK EXPERIENCE

GO Learning Center, Blue Bell, PA
Director

August 2012 – Present

- Manage about 30-40 elementary & secondary education programs yearly.
- Manage 7-10 staff members and support them through encouragements and guidance.
- Communicated with students and their parents to ensure top quality services were provided.

Instructor

- Teach students of various grade levels mathematics.
- Teach SAT I & II mathematics courses (individually and in groups up to 9 students) with multiple students achieving perfect math scores each year in both SAT I math section and SAT II math subject test. Others who were not able to achieve perfect scores were able to show significant increases in scores of up to 200 point, sometimes more, gains within a few months.

Wedge Medical Center, Philadelphia, PA

May 2008 - September 2009

Recovery Specialist

- Helped members with mental illnesses become integrated into the community.
- Counseled members through issues and obstacles in their lives.
- Guided our members to develop goals that will help enrich their lives.
